

**Mohawk District No. 10  
Nurses Association**

Dear Registered Nurse,

Are you aware that there is a professional organization that meets four times a year in your area, and has only a \$20 per year membership fee? **Mohawk Valley District #10 NYSNA** can be your local connection to networking with colleagues, educational opportunity, and professional focus and pride.

District 10 is comprised of membership from Fulton, Montgomery, and Schenectady Counties. The **purpose** of the organization is to **foster high standards of nursing practice, promote the professional and educational advancement of nurses, and promote health and welfare of nurses, in order to enhance proficient care of those requiring nursing services.**

Although District #10 is a constituent district of the New York State Nurses Association, state level membership is not mandatory. Also, our organization does not permit any discussion or solicitation of its members for collective bargaining purposes.
