Message From The President

Welcome to District 16's Website and Newsletter!

We are actively recruiting new members, and are working on 2008 and 2009 programs, so be on the lookout for upcoming dates and topics. Also, expect to receive an election ballot. Please return it along with your vote and write in nominations for open positions: President-Elect, Vice President and Directors-at-Large. We hope to see you at future meetings and programs. Please send us your ideas for networking events!

Please check the website for news, articles and upcoming events:

New Website Feature: REMEMBER WHEN?

Please send us your nursing memories and we will post them on the website.

Do you remember...

- calculating drip rates
- hanging glass IV bottles
- sterilizing metal bedpans

These are but a few of those cherished memories and experiences from nursing events long gone by! Help us to keep them from being lost forever!
