February 3 and April 27, 2011

On February 3, 2011:

Capital District Nursing Research Alliance: "Bringing Together the Best the Capital Region has to Offer".
Join us from 4:00 pm to 6:30 pm at the Foundation of New York State Nurses, Guilderland, NY, for presentations featuring new research projects in the Capital District by Laurie Nagelsmith, PhD, RN, Karen Clement-O'Brien, DNP, RN, and Patti Cannistraci, MS, RN. Presentations will be followed by refreshments: Crudités, cheese, crackers, wine and assorted cold beverages.

On April 27, 2011

The Capital District Nursing Research Alliance will be hosting a full day conference at the New York State Nurses Association headquarters, Latham, NY, featuring: Carole Kenner, DNS, RNC, FAAN, Dean School of Nursing, Dean Bouve College of Health Sciences at Northeastern University, Boston Massachusetts.
Dr. Kenner is co-author of "Teaching IOM: Implications of the Institute of Medicine Reports for Nursing Education" (September 2009). Dr. Kenner has received numerous honors for teaching, research, and leadership excellence as well as publishing awards for her nursing textbooks. Dr. Kenner has more than 20 years of neonatal/perinatal/pediatric nursing experience. She has taught in undergraduate and graduate nursing education for much of that time.

*Contact hours will be offered for both conferences through
The Foundation of NYS Nurse and St. Peter's Health Care Services.*
