Re: NYSNA Request for a Stay

Dear Susan:

ANA has considered NYSNA's request for a stay of the suspension of NYSNA's constituent member status and denies the request.

The stay was requested two weeks after implementation of the decision of the disciplinary panel, and no reasons were given in support of the request. ANA is not independently aware of any information that would suggest that the Hearing Panel decision to suspend NYSNA's constituent member status was in error.

The ANA Board of Directors will consider an appeal by NYSNA, if filed, and will modify the Hearing Panel's decision if the arguments presented support a change.

Sincerely,

A handwritten signature in cursive script that reads "Alice L. Bodley".
