**INFO PICKET
NOTICE DELIVERED!**

MAY 29, 2019
11:30 AM - 1:30 PM

**ATTENDANCE
IS MANDATORY**

WHERE DO WE STAND AS OF MAY 15, 2019?

STAFFING RATIOS NOT RESOLVED—

We need improved ratios and safe staffing levels on all units and shifts. These changes must be reflected clearly in our Staffing Grid, which is outdated and unsafe! Flushing Hospital has not agreed to any RN Staffing Grid changes to date.

NO COMMITMENT TO STAFFING ENFORCEMENT—

We need a true commitment to our ratios and daily staffing levels. While the rest of NYC settles on common enforcement, Flushing Hospital refuses to commit to enforcement in writing.

SALARY PARITY— Flushing Hospital salary is thousands of dollars behind area hospitals. The hospital is offering pay raises that would continue to allow the disparity to grow. Without proper salary rates Flushing will continue to have difficulty recruiting and retaining qualified Registered Nurses.

NO IMPROVEMENT IN RETIREMENT HEALTH—

Once again leaving us far behind other area Hospitals.

ONE UNION, ONE PROFESSION, ONE CHOICE—

Join us on the picket line on your break, lunch, before/after your shift, and/or on your day off. Every NYSNA RN has the legal right to picket on their own free time.
