

VOTE YES!

THE PUBLIC TRUSTS US AND THE MEDIA IS ON OUR SIDE.

But the "Alliance" bosses from Mt. Sinai, NYP & Monte DON'T trust their nurses. THEY'RE NOT on our side.

They are trying to silence our voices by telling us to remove our safe staffing stickers and denying our right to crucial staffing information. They are demanding givebacks and are refusing to discuss our safe staffing ratios.

We are holding a strike authorization vote to empower our negotiating committee to send a 10-day notice of our intention to call for an unfair labor practice strike.

ATTENTION MONTEFIORE NYSNA MEMBERS:

STRIKE AUTHORIZATION VOTES

The time has come for a strike authorization vote to force management to bargain seriously over our demands. The NYSNA Negotiating Committee asks for your support to authorize the sending of a 10-day strike notice, should we deem it necessary to break through management's stonewalling on our demands.
