

Proposals Presented to Management

Next Bargaining Date 11/15

We finally met with management's bargaining team for the first time on Monday, October 22. We presented 61 pages of proposals to improve the contract. Our Executive Committee (six of whom are pictured above) has worked hard to make sure that our proposals reflect what members asked for in our contract surveys. The proposals include:

1. Employer-Paid Retiree Health Insurance
2. Safe Staffing and Ratios on All Units
3. Limits on Floating
4. Fair Wage Increases
5. Much, much more!

Come out to our next bargaining session on Tuesday, November 15, in Conference Room D on the 5th Floor.

For more information, please contact your Executive Committee member or NYSNA Rep Corey Finger at corey.finger@nysna.org or 347-712-2809.
