

Nurse Educator and Midwife Seek to Join NYSNA!

Next Bargaining Dates are 12/3 and 12/4

On Thursday, 11/15, we had another bargaining session with management. We presented signed union cards from midwives and educators demanding that they be allowed to join NYSNA. The employer started to respond to our proposals and we reached agreement for information to be sent to the union electronically instead of on paper. Our main bargaining goals remain:

1. Employer-Paid Retiree Health Insurance
2. Safe Staffing and Ratios on All Units
3. Limits on Floating
4. Fair Wage Increases
5. Much, much more!

Our next bargaining sessions are on Monday and Tuesday, 3 and 4 December, 10A-2P, location to be determined.
