

# RNs and NPs Deliver Petitions for Fair Contract

## *Solidarity Will Get Results*

On Monday and Tuesday, 1/7 and 1/8, we bargained with the employer and we are making slow but steady progress. On 1/9, over 30 RNs and NPs delivered our petitions for a fair contract to the executive suite. Our demands for the contract still include:

1. Employer-Paid Retiree Health Insurance
2. Safe Staffing and Ratios on All Units
3. Limits on Floating
4. Fair Wage Increases
5. Much, much more!

**Our next bargaining sessions are on Wednesday and Friday, 1/23 and 1/25, from 10A until 2P in Conference Room D. Please feel free to stop by and witness negotiations on your breaks or on your days off.**

For more information, please contact your Executive Committee member or NYSNA Rep Corey Finger at [corey.finger@nysna.org](mailto:corey.finger@nysna.org) or 347-712-2809.
