Participants will be eligible to receive up to 6.0 continuing nursing education contact hours through ANCC and other nationally recognized nursing credentialing bodies. A complete list of goals, objectives and continuing nursing education contact hours will soon be posted online at www.nysna.org.

The New York State Nurses Association (NYSNA) is accredited by the International Association for Continuing Education and Training (IACET) and is authorized to issue the IACET CEU.

The New York State Nurses Association is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s (ANCC) Commission on Accreditation.

In order to receive contact hours and CEUs, you must attend the entire session and fill out an evaluation form at the end of the program.

NYSNA wishes to disclose that no commercial support or sponsorship was received. NYSNA Program Planners and Presenters declare that they have no conflict of interest.

Declaration of Vested Interests: None.

INTERACTIVE CONFERENCE
Share skills and swap strategies in face-to-face workshops with other patient advocates. We will learn from experts and each other.

REGISTER ONLINE and find a list of objectives and continuing nursing education contact hours at: www.nysna.org/May19Conference

BUILD A POWERFUL RN MOVEMENT WITH HEALTHCARE PROFESSIONALS & OUR PATIENTS!
MAY 19 - 9:15AM-5:30PM - Roosevelt Hotel, 45 E 45th St, New York, NY 10017

Nurses as Patient Rights Advocates: Public Sector/Private Sector Patient Advocate Conference
FRIDAY, MAY 19, 2017 | NYC

Join with RN Patient Advocates to learn to:
• Assess the healthcare industry and policy landscape for RN collective bargaining & legislative advocacy on community health & our practice
• Document staffing & patient care problems
• Defend the Affordable Care Act and move towards Medicare for All
• Strengthen our RN network for patient advocacy in the context of Right to Work
• Use Nursing Practice Committees to support negotiations
• Assess Medicaid Reform and access to care for underserved patient communities
• Promote health & safety in our facilities

* Standard message and data alerts apply. Opt-out at any time.
