

LESSONS FROM THE EPICENTER OF COVID -19

BREAKOUT GROUP WORKSHOP – CREATING AN ACTION PLAN

1. How will you gather input from NYSNA membership at your facility to choose priority issue(s)?
2. Choose 1 priority issue to focus on.
3. Choose a goal to correct the identified issue.
4. How will you gather the facts (what's currently happening within facility & best practices research)?
5. Choose 2 actions to pressure management to obtain your chosen goal(s).

6. How will you keep the membership and others informed
