

CENSUS 2020

IMPORTANT DATES

- **March 12 - 20:** Households will begin receiving official Census Bureau mail with detailed information on how to respond to the 2020 Census online, by phone, or by mail.
- **March 30 - April 1:** The Census Bureau will count people who are experiencing homelessness over these three days. As part of this process, the Census Bureau counts people in shelters, at soup kitchens and mobile food vans, on the streets, and at non-sheltered, outdoor locations such as tent encampments.
- **April 1:** Census Day is observed nationwide. By this date, every home will receive an invitation to participate in the 2020 Census. Once the invitation arrives, you should respond for your home in one of three ways: online, by phone, or by mail. When you respond to the census, you'll tell the Census Bureau where you live as of April 1, 2020.
- **April:** Census takers will begin visiting college students who live on campus, people living in senior centers, and others who live among large groups of people. Census takers also begin conducting quality check interviews to help ensure an accurate count.
- **May - July:** Census takers will begin visiting homes that haven't responded to the 2020 Census to help make sure everyone is counted.

Calling on all NYSNA members to make sure that everyone in NY State gets counted!

There are several ways to volunteer. Please check of any/all ways you are willing to give time to this incredibly important effort. Future generations will depend on all of us being fully counted!
